ORANGE MUSIC + DIRT TO PLANT GRASS IN

A speaker that is plugged in to an orange. The tag was removed by Chris Sollars. I didn't like it and he removed it without asking Nice right.

A pile of dirt sits in my studio to be used for planting grass seed in a cup with miracle grow? (SALT something for Sanku Feet?)
grow.

orange you glad it doesn't sound like a banana.

Changing Definition of Working's what it is

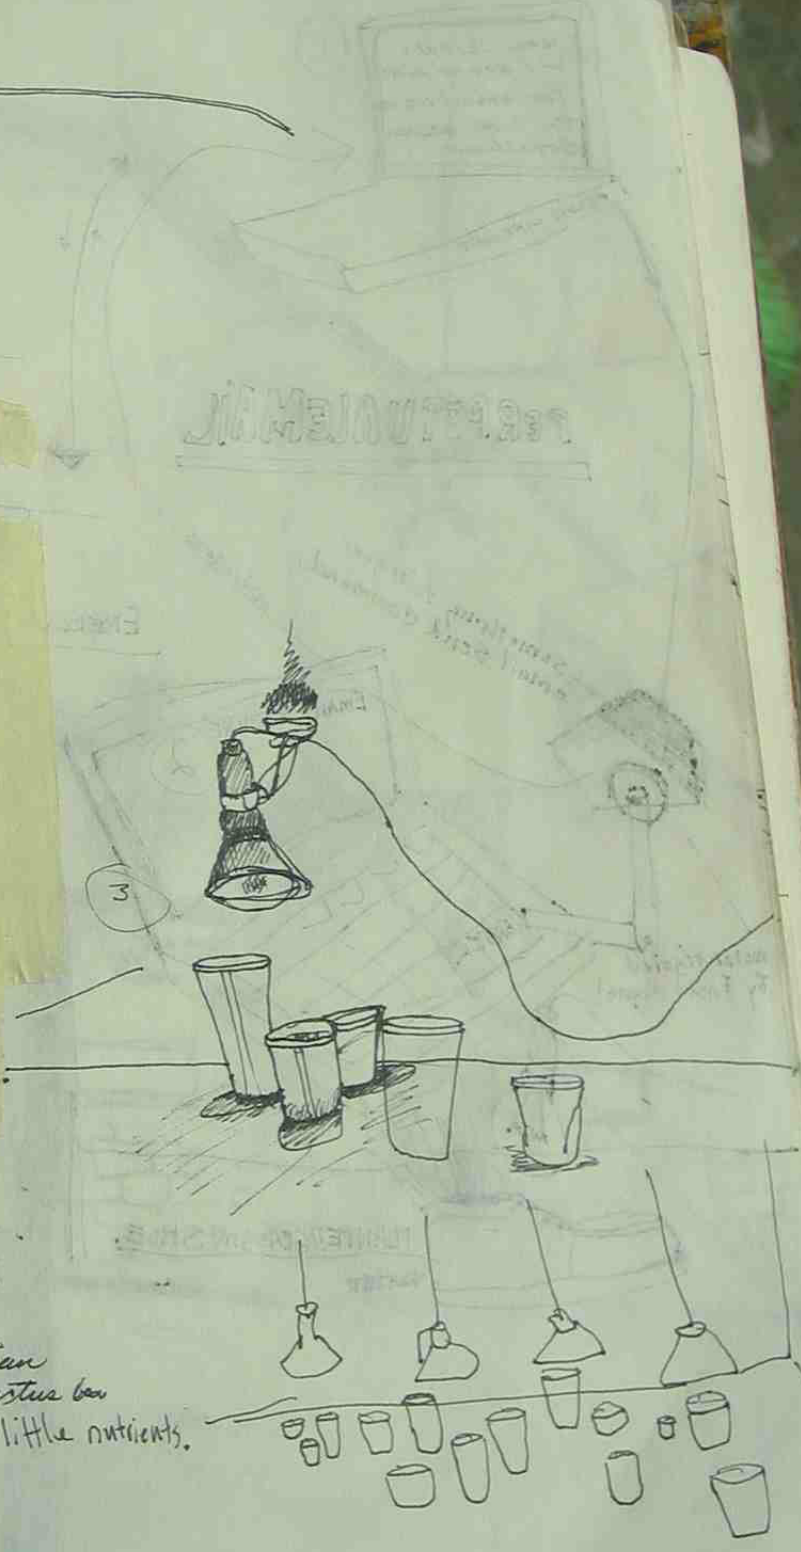

Photo-Synthesis of detritus hits in a entropy zone hopping a samsara fence Sun Halo and a dunny beetle revolving in a zone improvement plane a glittering crown jeweled in wires and dirt sits atop a little green man in a Vegetable suit.

The JV@ad.com

Grass to be Grown in the Dirt from the Space it is swept from.

Grass will germinate in anything a weed can hold in almost any soil even a cactus bar or sash. Something that requires very little nutrients.
